

# 2. HEALTH COALITION

## Coalition Information

Establish a coalition of diverse stakeholders (or identify one that already exists) to oversee the task of earning and maintaining the Healthy Utah Community designation. The coalition will ensure the community qualifies, complete the application, develop the community health plan, and oversee its implementation. The coalition requires a minimum of four individuals to meet quarterly. For best outcomes, we encourage you to include members from underrepresented populations and recommend representation from the following sectors:

- City leadership
- [Local health department](#)
- Local hospital
- Local school district
- Business leaders
- Community members, CHWs, etc.
